

2023 MONTEREY WINTER SALE NOTES

Monterey is a JBAS 8 herd, most recent check test done Jan.'22

Bulls are fully vaccinated, semen tested, BVDV tested negative and breeding apparatus assessed.

Most bulls are Sire Verified. We are still waiting on the final batch results.

For those not attending in person, we can assure you that feet, legs, temperament and overall soundness of the bulls on offer are excellent. See weights and Scan sheet data posted on the Auctions Plus header. Actual carcass data and weight for age is quite outstanding.

Transport – all organisation of this will be handled at our end. As a buyer, you buy, we handle the getting your purchase to you. (We've been doing this for 30+ years so you can relax.)

EASTERN STATES BUYERS are offered FREE DELIVERY on all bulls sold at \$6000 or more to SA, VIC-WODONGA and regional centres on route. Arrangements can be made for bulls going on further.

We anticipate bulls to leave WA last week of May for purchases from this sale.
