DOG ABILITY

Definitions of Terminology (for the catalogue)

These definitions are to be used as a guide only. Around 6 weeks should be allowed for a new handler to bond with the purchased dog and the dog to settle in (this time will vary between dogs and handlers).

Starting

- Displays and interest and approaches stock according to natural ability

Started

- Given basic commands
- Interested in stock and going around them in an enclosed area
- Works according to natural ability
- Keenness to work may override natural ability
- Handlers need to be on foot
- Short practise sessions

Well Started

- Confident on a small mob but may not handle a larger mob
- May be unsettled in strange or unfamiliar places
- Makes a few mistakes
- Reasonably obedient depending on level desired
- May need a while to settle in when working
- Learning to drive stock but may occasionally go to the head of a mob
- Brings small mob towards handler in an easy situation
- Can be worked from car, bike, horse or on foot when settled
- Needs firm hand and plenty of praise/encouragement

Trained

- Mature in appearance
- Shows confidence in approaching stock that it is familiar with (ie; paddock dog in paddock, yard dog in yards)
- Acceptable level of obedience
- Yard Dogs are keen to either force, back and bark when required
- Obeys basic commands whilst working stock
- Keenness to work and nature will depend of genetic makeup

Karana Chance

Vendor: Kevin Howell - Eugowra NSW - 0427 592 311

Breed: Kelpie

Age: 9 months

Gender: Male

Sire: Karana Sam

Ability: Starting

Dam: Karana Swan

Rego: WKC

Demonstrations: Sheep yard

Comments

Karana Chance is bred from a long line of Utility type dogs. His grand sire on the female side just recently won the National Kelpie Utility Championship giving us our 10th Win of the National Kelpie Championship and his Great Grand Sire on the male side Won the National Kelpie Championship on 2 occasions. Chance is going to be a tall athletic dog & showing good natural work with good natural distance and cover & balance in the open area and when the sheep get into a tight area and stop moving, he will come in and start barking naturally. He is just starting to learn to back sheep in the drench race and he is only 8 months old at the time of writing. He will be 9 months old at the time of Auction so will be ready to take home and go on with and will develop into a very good all round dog.

Breed: Kelpie

Age: 1 year 7 months

Gender: Female

Sire: Whites Albert

Ability: Well Started

Dam: Fletchers Bobbie

Rego: WKC

Demonstrations: Sheep yard, sheep paddock, cattle

Comments

Bella is a very loyal and easy to handle young bitch. She works sheep and cattle. She prefers to work the yards. She works the side of race really well to get all your drenching needs done. She is starting to back well and is becoming a very handy yard dog. She will bite cattle on the nose. She will happily let cattle come to her before biting to allow them to walk off her presence. She is extremely friendly with people and kids and other dogs. She has a decent stop command and good call off stock. Sides are started. She can jump on Ute or buggy. She will easily become a main dog for someone with the more work she gets. Only selling as I have more dogs than I need otherwise she would be staying on.

Breed: Kelpie

Age: 1 year 9 months

Gender: Male

Sire: Pandara Devil

Ability: Trained

Dam: Pandara Mellow Yellow

Rego: WKC

Demonstrations: Sheep yard, sheep paddock, goats, cattle

Comments

Claude is a great young dog to have around, loves his work and needs to be worked regularly. He gets better and better every day. He picks up repetition quickly and he likes the hard spots. I can yard a mob of 500 sheep, draft, drench all with him on his own. He becomes quite soft and has a natural shape when worked down and is understanding driving very well. Claude was purchased to fill a maternity role in my contracting team and has done this really well and he loves his work. He has penned up in shearing sheds clutching trailers, VA machine, mustering. Claude is not suitable for somebody with very little Stock work (under 1000) as he needs full-time work to develop to his full potential of a true all-rounder for sheep cattle goats..
