Average Group Weights

Summer 2021 Bulls - Avg Wt 754kg | 1.24kg ADG

Autumn 2022 Bulls - Avg Wt 715kg | 1.41kg ADG

Spring 2022 (Yearling) Bulls - Avg Wt 521kg | 1.41 ADG

All 3R Bulls sell with IMMUNE READY PROGRAM qualification.

All bulls are vaccinated for Clostridial, Leptospirosis, Pestivirus, Vibrio, IBR, MH, Tick Fever & Bovine Ephemeral Fever* (3 Day Sickness).

*A single dose of BEF vaccine has been administered. We recommend a backup dose prior to the onset of 3 Day Sickness period if required in your location.

All Bulls have been semen tested and found satisfactory.

Semen tests were conducted by Peter Brown & Ced Wise in August 2023.
