## **Information**

Vendors are reminded of the following:

- When a ram is sold by a vendor the rights to sell his semen goes to the new owner.
- If a vendor is selling a ram they must declare that they have retained semen for their own use.
- Semen should only be retained for the vendors own use and not for sale unless stated prior to the sale that the retained semen will be marketed.
- Transfers of registration will be completed by the DSSA on behalf of the vendor.

## **Conditions of sale**

- The vendor is responsible for the animals presented for sale must be negative to Ovine Dermatosparaxis;
- All rams presented for sale must be from an Ovine Brucellosis accredited flock; and
- All animals presented for sale will be from a property with a non-infected status for Ovine Johnes Disease. Purchasers need to determine the property status of any purchase for suitability for entry to their state.
- All sheep will be checked for weight, body score, teeth, testicals and soundness on arrival to the Dubbo Showgrounds.
- All sale sheep will be inspected against the Breed Standards by a DSSA approved inspector and sheep reaching the minimum standard of Type 3 and above will be accepted for the sale.
- Auction selling terms are available at registration tables.
