Welcome

Welcome to the 4th Mala-Daki Simmentals Bull Sale.

All Mala-Daki Simmentals sale animals are poll and have been DNA tested and sire verified. DNA results confirm that 23 bulls are homozygous poll with 10 being homozygous black. DNA results for the 8 females will be provided closer to sale day.

The sale will be conducted by Elders Stud Stock as an on-property Auction, interfaced and livestreamed with AuctionsPlus. Inspections are welcome prior to the sale by appointment and sale day inspections will be available from 10:00 am.

Agents from Elders and Chris Paterson Stock and Station Agents will be onsite on sale day to assist with your animal selection.

We look forward to welcoming you to inspect our 2023 offering of bulls and females and being part of our 4th Annual sale.

INSPECTIONS

Inspections are welcome prior to the sale by arrangement with the vendors or agents. All lots will be penned by 10:00 am sale day.

SALE DAY CATERING

Refreshments, including lunch, will be available for a donation going to Dolly's Dream.

HEALTH

All bulls and females have been examined for health and structural soundness by Dr Rhys Duncan of Piper Street Veterinary Clinic with bulls being crush side semen tested, scrotal measurements taken and a Veterinary Bull Breeding Soundness Evaluation certificate issued. Sale bulls have been vaccinated with Zoetis Ultravac 7 in 1, Pestigard (for BVDV), Vibrovax, Tick fever (3 Germ) (S bulls) and were treated with Cattle Guard Pour On and Multimin Evolution in May 2023. The sale females have been vaccinated with Zoetis Ultravac 7 in 1, Pestigard (for BVDV) and were treated with Cattle Guard Pour on and Multimin Evolution in June 2023. The herd has a Johne's Beef Assurance Score (JBAS) of 6.

RAW DATA

All bulls will be weighed and then scanned by Bovine Scanning Services prior to the sale for eye muscle area (EMA), rump fat, rib fat and IMF. Supplementary information will be available at www.maladakisimmentals.com and on social media prior to sale day.

6 MONTH GUARANTEE

All sale animals have been evaluated for structural soundness and fertility. To the best of our knowledge the bulls are in sound working order and females are reproductively sound at the time of the sale. Any claim against the breeding ability or a structural breakdown of any animal must be made in writing and accompanied by a Veterinary Certificate within six months of the sale date. Any animal veterinary certified may be either replaced with an animal of similar value (if available) or credit made available to the value of the purchase price, minus salvage value, as a refund. The purchaser will be responsible for any veterinary and other costs incurred.

DELIVERY

There will be stock transport options available on sale day, please liaise with Elders.

TRANSFER OF REGISTRATION

All sale animals registered with Simmental Australia may be transferred to your ownership on request and at your cost.

AUCTIONSPLUS

The sale will be conducted as an On-property Auction by Elders, interfaced with AuctionsPlus. A card registration will be used, with your PIC number required. The sale will be conducted under normal auction conditions. AuctionsPlus Online bidding will be available, go to www.auctionsplus.com.au to register. Contact AuctionsPlus on (02) 9262 4222 for more information.

OUTSIDE AGENT REBATE

A 2% rebate will be offered to outside agents with written introduction received 48 hours prior to the sale and/or if the agent accompanies the purchaser to the sale and settles on their behalf within 7 days of the sale.

TERMS & CONDITIONS

Terms of the sale are as per Conditions of Sale for New South Wales Stud Stock. Mala-Daki Simmentals Bull Sale will be conducted by Elders (Tamworth) and Chris Paterson Stock and Station Agent using a live auction interfaced with AuctionsPlus. Elders (Tamworth) will be the settling agent. All lots will be sold exclusive of GST.

INSURANCE

Ownership passes at the conclusion of the sale and it is recommended all cattle be insured.

SALE DAY SAFETY

All sale bulls and females have been screened for temperament and are quiet to handle under normal circumstances. There are, however, risks associated with cattle handling. Visitors enter the cattle pens at their own risk and children must not enter pens.

POLL/HORN STATUS & COAT COLOUR TESTING

All bulls and heifers have been DNA tested for parentage, poll status and coat colour.

About Us

MALA-DAKI SIMMENTALS

Mala-Daki Simmentals is a family owned operation established in the early 1990s by Jason and Jacqueline Impey, along with their twin daughters Jennifer and Jessica.

We are breeders of red, black and traditional Simmentals and SimAngus with a commitment to producing moderately frames, structurally correct cattle with ideal temperament and carcass traits.

These carcass traits have been recognised at Sydney Royal Easter Show when two Mala-Daki steers were part of the winning Stan Hill Team and won Domestic Champion in the RAS Beef Challenge. Most recently a Gold Medal was awarded to a steer which was the progeny of a Mala-Daki bred cow.

MULTIMIN®

WHEN IT MATTERS

IMPROVED FIRST CYCLE CONCEPTION RATE

Multimin Evolution has been shown to improve the first cycle conception rate by **UP TO 19.4%**.¹⁻³ Conception in the first cycle can lead to an additional 20 to 40 days for calves to grow.

IMPROVED PREGNANCY RATES

Pregnancy rates in breeding females treated with Multimin Evolution are up to **12% HIGHER** than untreated females, depending on the length of the breeding season and breeding method.^{1,2,4-6}

IMPROVED SPERM QUALITY

Bulls treated with Multimin Evolution 90 days before joining had **22% HIGHER** sperm concentration and significantly more motile sperm than control animals.⁷⁻¹⁰
