# Welcome

Welcome to our 2023 Tamworth sale. After an incredible 2022 sale we have been working diligently to ensure that this draft of bulls lives up to expectation and we are excited to say that they are looking particularly good.

Once again, these bulls have been selected from large contemporary groups and have been selected specifically for this sale. These bulls have again been prepared at Steve Hayward and Kellie Smiths property at Allora, Queensland. Not only will this enable them to acclimatise to the Northern conditions, but it will also give our NSW and Qld clients far more opportunity to inspect the bulls prior to sale.

Each section of the programme is represented with a tremendous group of bulls that exhibit explosive early growth, length of body, capacity, extra muscle, and increased fat cover in a structurally sound package. Our commitment to increase profitability and performance to our clients' herds drives us to focus on the above traits. Each year we scrutinise every one of our 900 plus registered breeders for structure, docility, and performance and quite simply if they don't stack up, they don't stay. This selection pressure ensures that our female herd continues to improve each year which in turn passes this quality onto the resulting progeny.

The Black Simmental and SimAngus bulls will be made up of 2 age groups, firstly the 20-22 months old and then the 14-16 month old bulls. Both groups epitomise what we have been striving to produce and will appeal to the most discerning cattle producer.

With both heifer and mature cow options, we firmly believe there will be a bull there to suit your needs.

The Black Simmental bulls will feature many new and proven sires and it is great to see our own sires featuring strongly in many of the lead bulls. Predictability is so important, and we are confident these bulls will add profitability to your herd. We are excited to sell the first progeny of US power bull LBRS Genesis and these feature at the top end of these young bulls.

The SimAngus bulls are truly outstanding, and we have invested heavily over the past few years to add the very best Angus genetics to this part of our programme. The results are showing in these bulls, and it will be hard not to be impressed when you inspect them, they are industry relevant and super impressive.

Every bull comes sire verified, pesti tested, vaccinated for 3 day sickness, 3 germ blooded and semen tested so they are ready to work.

Please feel free to contact us if you require any further information and we look forward to seeing you on the 2nd of August.

*Tom and Lizzy Baker*

# FOR A SUCCESSFUL STUD STOCK BUSINESS

Our experienced and professional network, located across Australia, are dedicated to achieving the best results for your stud stock business.

Elders Stud Stock provide superior marketing packages, professional auctioneering services, as well dedicated pre and post-sale customer support. This is backed by an extensive commercial client base throughout Australia. We work closely with stud stock breeders, providing tailored services to achieve your agribusiness goals.

# *Sale Information*

## **HEALTH**

This draft of Woonallee Bulls have a J-Bas score of 6 and are eligible to all states Australia wide. Bulls have been fully vaccinated with 7 in 1, Pesti guard, 3 day sickness and 3 germ blood. All bulls have been tested negative for Pesti virus. Semen testing has been conducted by Rosewood Vet Services and all bulls offered for sale have passed both semen and morphology testing.

## **DNA, COLOUR AND POLLED TESTING**

All bulls have been tested for colour and polled status with the results indicated in the catalogue. They have also been 100K DNA tested and sire verified.

## **DELIVERY**

Woonallee and Elders will organise delivery of the bulls at the conclusion of the sale. Please fill in the buyers slip with clear directions and contact phone number. Woonallee will deliver free of charge within NSW and to Roma, QLD.

## **TRANSFERS**

All animals are registered with the Australian Simmental Breeders Association and are eligible for transfer. Please indicate on the buyer's instruction sheet if you would like your purchases to be transferred.

## **BUYERS REGISTRATION**

Buyers are requested to register with the selling agent prior to commencement of the sale and to display their registration number at the fall of the hammer. This sale will also be interfaced with Auctions Plus. Please see information on page 6 of this catalogue to register.

## **INSPECTION AND SALE TIME**

Sale bulls will be yarded and available for inspection from 10am on sale day Wednesday, 2nd August. Selling to commence at 1pm sharp. Supplementary sheets will be available on sale day. For pre-sale inspections please contact Tom Wilding-Davies 0429 570 504 or Steve Hayward 0419 642 992. All times quoted are Australian Eastern Standard Time.

## **GST**

All lots are sold exclusive of GST.

## **PHONE BIDDING**

Please contact the selling agent to arrange phone bidding. Lincoln McKinlay 0419 239 963.

## **REBATES**

A rebate of 3% is available to outside agents who attend the sale with or on behalf of their clients.

## **INSURANCE**

Woonallee recommends insuring all purchases at the fall of the hammer. An insurance representative will be available on sale day to help with this.

## **GUARANTEE**

All cattle sold at Woonallee come with a two year structure and fertility guarantee. In the rare case a bull is found to be infertile or incapable of natural service, Woonallee will refund or replace the bull provided the problem is not caused by injury or disease incurred after taking delivery. A veterinary certificate will be required.

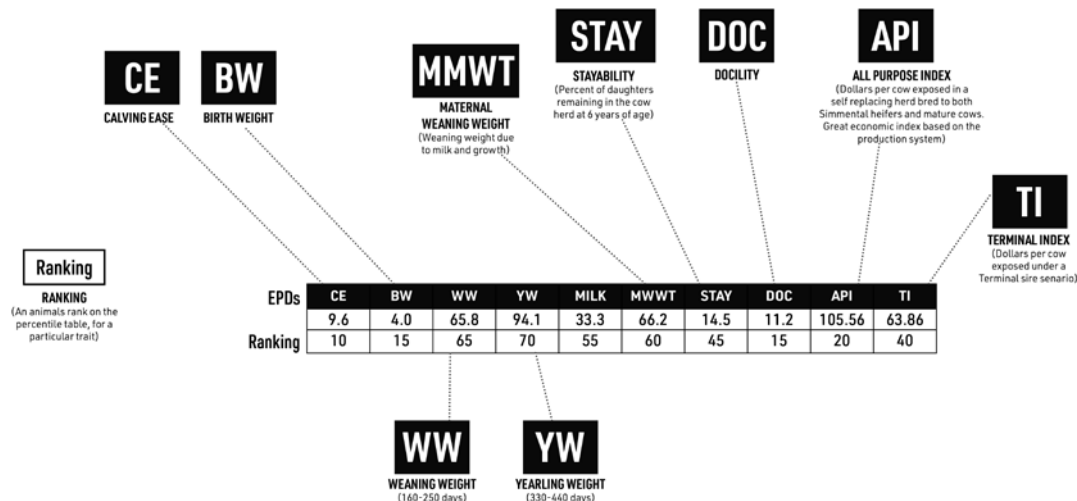

## **HANDLING**

Bulls have been handled on foot, with utes, ATVs and dogs. They haven't seen horses, motorbikes or helicopters!

# EPD Information

The Woonallee Tamworth sale is one of the first sales in 2023 with the introduction of the IGS performance recording system for Simmental cattle. IGS is the world's largest animal performance recording system. One of the major changes is the breeding figures being reported as Estimate Progeny Differences (EPDs), rather than Estimated Breeding Values (EBVs). The difference between the two is simple.

Effectively, an EBV is an animal's own genetic value for a particular trait. However, the animal can only pass half of this onto their progeny. EPDs have the "half" already accounted for. That is, an EPD is the genetic merit of an animal's progeny – what they will pass onto their progeny. IGS can incorporate an animal's genomics into its performance data. All animals in the Woonallee Tamworth sale have been 100K GGP-LD DNA profiled.

## Simmental - Traditional, Fullblood and Simbrah Register Breed Average

	CED	BW	WW	YW	MILK	MCE	MWWT	STAY	DOC	CW	REA	FAT	MARB	YG	API	TI
EPD	5.2	5.7	69.2	100.4	33.1	3.7	67.6	13.8	8.5	20.7	0.79	-0.122	-0.09	-0.51	95.14	62.39

## Black, Red, SimAngus and SPR Register Breed Average

	CED	BW	WW	YW	MILK	MCE	MWWT	STAY	DOC	CW	REA	FAT	MARB	YG	API	TI
EPD	10.0	2.3	76.2	115.5	23.0	5.5	61.1	15.6	12.2	28.7	0.82	-0.087	0.08	-0.40	122.94	74.33

### Polled and Coat Color Information:

#### PP - Homo Polled - the bull carries two copies of the polled gene

Homo Polled Homo Polled 100% Polled  
Hetero Polled 100% Polled  
Horned 100% Polled

#### Pp - Hetero Polled - the bull carries one polled gene and one horned gene

Hetero Polled Homo Polled 100% Polled  
Hetero Polled 75% Polled, 25% Horned  
Horned 50% Polled, 50% Horned

#### Homo Black - the bull carries two copies of the black gene

Homo Black Homo Black 100% Black

Hetero Black 100% Black  
Red 100% Black

#### Hetero Black - the bull is black in color, but carries one black gene and one red gene. Black is dominant to red, so the red color is not expressed when it is paired with a black gene.

Hetero Black Homo Black 100% Black  
Hetero Black 75% Black, 25% Red  
Red 50% Black, 50% Red

#### Red - the bull carries two copies of the red gene. This example assumes the bull is diluter free.

Red Homo Black 100% Black  
Hetero Black 75% Black, 25% Red  
Red 100% Red

## AuctionsPlus

### How to Register and Bid on AuctionsPlus

- 1 Go to [www.auctionsplus.com.au](http://www.auctionsplus.com.au) to register at least 48 hours before the sale.
- 2 Select "Sign Up" in the top right hand corner.
- 3 Fill out your name, mobile number, email address and create a password.
- 4 Go to your emails and confirm the account.
- 5 Return to AuctionsPlus and log in.
- 6 Select "Dashboard" and then select "Request Approval to Buy".
- 7 Fill in buyer details and once completed go back to Dashboard.
- 8 Complete buyer induction module (approx. 30 minutes).
- 9 AuctionsPlus will email you to let you know that your account has been approved.
- 10 Log in on sale day and connect to auction.
- 11 Bid using the two-step process – unlock the bid button and bid at that price.
- 12 If you are successful, the selling agent will contact you post sale to organise delivery and payment.
