How to Register and Bid on AuctionsPlus

1

Go to www.auctionsplus.com.au to register at least 48 hours before the sale.

2

Select “**Sign Up**” in the top right hand corner.

3

Fill out your name, mobile number, email address and create a password.

4

Go to your emails and confirm the account.

5

Return to AuctionsPlus and log in.

6

Select “**Dashboard**” and then select “**Request Approval to Buy**”.

7

Fill in buyer details and once completed go back to Dashboard.

8

Complete buyer induction module (approx. 30 minutes).

9

AuctionsPlus will email you to let you know that your account has been approved.

10

Log in on sale day and connect to auction.

11

Bid using the two-step process – unlock the bid button and bid at that price.

12

If you are successful, the selling agent will contact you post sale to organise delivery and payment.

For more information please contact us on:

Phone: (02) 9262 4222

Bull Sale Information 2023

Registration

All bulls are registered with Angus Australia as HBR or APR.

Pedigree Verification

All bulls have been parent verified or sire verified by DNA testing.

DNA Genomics

All bulls have undergone genomic testing and results contributed to their TACE EBVs.

Genetic Status

All bulls have undergone extensive genetic testing and are confirmed to be free from the genetic conditions AM, CA, DD, NH, DW, MA, MH, OH, OS, RG.

Fertility

Every bull has passed a comprehensive bull breeding soundness examination including semen test and physical examination of reproductive organs by Holbrook Vet Centre.

Health

All bulls have received 7 in 1, Pestigard, Vibrovax, Coopers Trifecta Triple Active Drench, and Multimin.

Pestivirus

All bulls are tested free of Pestivirus.

Insurance

We recommend that all buyers insure their bulls as soon as possible following the purchase.

T83 is just a nice consistent young fella with nice calving and growth traits. He has a nice length off back and fleshy frame with a quiet nature that is always inquisitive. He will mature into a very nice bull.

He stands on good feet with nice calving traits top 10% EMA, Beef Yield and great Carcase Weight with very constant selection Indexes. This fella still has a lot of upside with his development. A nice heifer bull.

His length and thickness is deceiving as he has a nice length of leg like his mother, as suggested by his 200, 400, 600 day traits he will have no issues in delivering weight to your calves at sale time.
