Why **sell seedstock** on AuctionsPlus?

AuctionsPlus has built an eco-system of online selling tools for the agriculture sector to enable you to reach a highly loyal, trusted and engaged national audience.

Tailored Sale Packages

Whether you are looking to go online only, or want to interface your on-farm sale with audio and video - we can tailor your sale package to suit your needs.

Advertising Packages

With a range of digital advertising solutions including on-site display, advertorial sponsored content, market eDMs and more we can help you reach over 85,000 highly engaged users per week.

Digital Catalogue

Your sale catalogue is transformed into a digital handbook enabling you to upload multiple photos, videos, data and sale information which is then distributed to our network of over 20,000 subscribers.

National Audience

Our users are all over Australia – giving you the opportunity to connect and market your stock to our national audience via the single largest online trading platform for livestock in Australia.

Classic Package

A physical sale is also open to online bidders - both buyers on-farm and online are able to see what bids are being placed.

- ✓ Online buyers can also bid on lots being offered on farm
 - ✓ Sale day results bundled up into a comprehensive post-sale report
 - ✓ Digital sale catalogue distributed to our network of over 20,000 subscribers
-

Prime Package

Increase competition both online and on-farm by streaming audio directly from the auctioneer at your sale to your online bidders.

- ✓ Your on-farm sale is open to online bidders from all over Australia
 - ✓ Audio from the auctioneer is streamed online so that bidders can hear all the action on the ground
 - ✓ Sale day results bundled up into a comprehensive post-sale report
 - ✓ Digital sale catalogue distributed to our network of over 20,000 subscribers
-

Premium Package

As well as audio, a premium package has the added feature of video streaming, meaning your online bidders can both see and hear what is happening on-farm.

- ✓ Your on-farm sale is open to online bidders from all over Australia
 - ✓ Increase competition by enabling online bidders to watch all the action with a live video stream
 - ✓ AuctionsPlus representative onsite on sale day
 - ✓ Sale day results bundled up into a comprehensive post-sale report
 - ✓ Digital sale catalogue distributed to our network of over 20,000 subscribers

Additional Information

Display Advertising: Display advertising offers reach, scale, and performance, through targeted placements, diverse ad formats, creative, and measurable results across premium publisher sites like AuctionsPlus.

Impressions: An impression is when a user sees an advertisement on a website. An impression occurs any time a user opens an app or website and an advertisement is visible. Cost per thousand (CPM) refers to the cost an advertiser pays per one thousand ad impressions on a web page.

Run of Category: Display ads can be scheduled to run across the whole AuctionsPlus site or run of category. Categories include; cattle, sheep, machinery, auctions results and up coming auctions

Click-Through Rates & Industry Standards: Click-through rate (CTR) gauges how well display ads perform. CTR is the number of clicks your ad receives divided by the number of times that your ad is shown: $\text{clicks} \div \text{impressions} = \text{CTR}$. Industry standard is: 0.05%

Creative: AuctionsPlus will produce all livestock ad creatives.
