STAR BREEDER PROGRAM

GIVING CONFIDENCE TO BREEDERS AND BUYERS

STAR BREEDER CERTIFICATE #2322

This certificate is for the following animal(s):

Whispering Pines Angus 2024 sale bulls

To certify the owner / breeder of the animal(s):

Clayton Trigwell

From:

Yoongarillup, WA

has taken the following steps to ensure this animal(s) will not introduce reproductive diseases into other herds.

- ✓ This animal(s) has been tested and confirmed Persistently Infected (PI) Negative to Pestivirus (BVDV - Bovine Viral Diarrhoea Virus)
- ✓ This animal(s) has been vaccinated with **Pestigard**[®]
- ✓ This animal(s) has been vaccinated with **Ultravac**[®] 7in1
- ✓ This animal(s) has been vaccinated with **Vibrovax**[®]
(Applicable to bulls)
- ✓ This animal(s) has received two vaccinations or their annual booster of each of the above vaccines as per the manufacturers instructions to establish optimum immunity.

Other vaccinations or tests: HD50K, Sire verification

Certification date:

17 Jan 2024

2024 ANNUAL BULL SALE 24 2-YEAR OLD BULLS

Friday March 1st, 2024 starting at 10am
Boyanup Sale Complex

PLEASE BRING THIS CATALOGUE TO THE SALE.

WHISPERING PINES ANGUS
1151 VASSE HIGHWAY, YOONGARILLUP, WESTERN AUSTRALIA

SALE INFORMATION

Sale details: Auction will start, not before 10am WST, on Friday, March 1, 2024 at Boyanup Saleyards.

Auction information: The sale will be conducted by Nutrien under normal auction terms and conditions, in conjunction with AuctionsPlus. A live stream will be held on sale day.

Registration: All buyers are required to register before the start of the sale. All bulls sold will be exclusive of GST.

Buyer instructions: Verbal instructions cannot be accepted, written instructions are required.

Inspection: Bulls will be yarded by 9am on sale day for your viewing. We also welcome on-farm inspection of bulls at a mutually convenient time by contacting stud principal Clayton Trigwell on 0435 074 538.

Transport: Transport of bulls is the buyers responsibility and can be arranged through Nutrien if required on the day. Agistment can be offered on request, where appropriate insurance has been arranged by the buyer and at buyer's expense.

Insurance: It is suggested buyers insure purchases for full cover at the end of the auction.

Health: Whispering Pines Angus is J-BAS 8 accredited, which is the highest level available. The cattle are sire verified and tested using the Zoetis High Density (HD) 50K genomic analysis. Sale bulls are double vaccinated with Ultravac 7in1, Pestigard and Vibrovax as well as ear-notched PI free to qualify for the Zoetis STAR BREEDER (Steps Taken Against Reproductive Diseases) Program.

Genetic testing: Sale cattle have been tested and are free of the four standard generic defects in Angus animals (DD, NH, CA and AM).

Fertility: Whispering Pines Angus takes all steps possible to ensure its bulls are structurally sound, fertile and in working order at time of sale. All sale bulls are fertility tested before sale and individual bull semen results are available by request. If a purchased bull is considered to be unsatisfactory at the time of sale, the stud can be contacted to discuss a replacement or negotiate an alternative.

ABOUT US

The Whispering Pines Angus team is pleased to be able to share a consistent level of high quality bulls in this year's auction, after receiving positive feedback from its inaugural sale last year.

In 2024, the Busselton stud will offer 24 lots for auction at the Boyanup Saleyards on March 1 and have made a rigorous selection to provide breeders with outstanding maternal and terminal sire mating options.

Stud principal Clayton Trigwell, along with wife Clare, are once again excited to let buyers inspect the quality they have chosen for this year's sale.

New herd sires have been introduced for this year's sale and there will be a return of some solid performers from previous years.

Whispering Pines Angus is a third-generation bull stud with the primary goal of improving the qualities of the breed to suit WA's unique growing conditions and markets. The stud raises and prepares stock for sale on a 100% grass-based diet, without grain or other dietary supplements, to assess and improve performance in real-world conditions.

"Our commitment to 100% grass fed bulls has ensured we have bred bulls that will be resilient to challenging conditions and perform in years of lower quality feed," Clayton said.

"It was great to meet new and former buyers at our inaugural sale in 2023 and we got some great feedback on sale day and following the mating season.

"We know modern farmers are looking for bulls who are easy to handle, with good structure and high performing genetics, and this year's offering ticks all the boxes."

Whispering Pines Angus is committed to an open gate policy as a transparent operation and welcomes animal inspections at any time throughout the year as well as detailed semen test results. Clayton and Clare encourage potential buyers to get in touch to discuss their herd needs.

The stud has achieved a J-BAS 8 rating with an implemented vet-checked bio-security plan. All advertised bulls are free of Pestivirus, fully vaccinated, semen tested and backed up with HD50K genomic analysis and sire verification.

For more information contact Clayton on 0435 074 538.

whisperingpinesangus.com.au

OUR SIRES

1. SQUARE B TRUE NORTH 8052

Offering a standout morphology, calving-ease, and explosive growth, while maintaining a moderate and efficient mature cow size. Last year we sold what we believe were the first sons of Square B True North 8052 to sell in Australia.

2. SITZ STELLAR 726D

An increasingly rare combination of good fat cover and high growth rate. Structurally correct with excellent feet and a below average birth weight to top it off.

3. CHILTERN PARK MOE M6

A well balanced and proven calving ease sire with breed leading docility, desirable claw shape, and daughters with extra milk. A popular choice over heifers.

4. WHISPERING PINES N48

The perennial favourite of farm tours. An attractive, highly muscled outcross with a no-holes resume. A versatile sire who complements or improves the traits of any mating.

Breeding quality Angus bulls since 1967.

whisperingpinesangus.com.au

OUR SIRES

5. Whispering Pines P72

WNWP72 was the standout bull of the stud's embryo transfer program using the highly influential LD Capitalist 316 and elite donor cow WNWK7. This sire combines the calving ease and eye appeal of LD Capitalist with the docility, early growth and structure of his dam.

6. Whispering Pines Q82

A sire that incorporates all we love about the Angus breed. He exhibits a curve bending low birth weight and high early growth while also producing moderate and efficient mature cow weights. You can expect his calves to excel in the most challenging growing seasons with fats in the top 10 per cent of the breed. A product of highly sought after Baldrige Bronc and elite donor cow WNWK7 with outstanding maternal pedigree from both bloodlines.

7. LD Capitalist 316

Breed leader for calving ease and passes it on to his daughters. A wide, muscular morphology is a trademark of his calves who achieve high weaning weights with lots of eye appeal.

8. Whispering Pines R47 - No Image Available

No other sire on the Angus Australia database can match his combination of 200 day growth, scrotal size, feed efficiency and foot structure. Use sons to increase frame size and improve foot structure or use as high performing terminal sires.

Breeding quality Angus bulls since 1967.

IMPORTANT NOTICES FOR PURCHASERS

~SALE CATALOGUE DISCLAIMER~

"All reasonable care has been taken by the vendor to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the Vendor or the selling agents make no other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in this catalogue. You are encouraged to seek independent verification of any information contained in this catalogue before relying on such information".

~DNA PATERNITY VERIFICATION AND GENOMIC ANALYSIS~

"DNA paternity (Sire of sale animal) verification and genomic analysis has been conducted on all of the animals listed in this catalogue. It is a requirement of the Angus Society of Australia that all bulls used to sire calves for registration in one of the Society's Registers have a DNA profile recorded and have been genotyped with HD50K for Angus or Angus GS if they are born after 1/1/2018. "

~PRIVACY INFORMATION~

The animals listed in this catalogue are registered with the Angus Society of Australia. The buyer is encouraged to have transferred to it the registration of any animals purchased. In order for this transaction to be effected, the buyer will need to provide certain personal information to the Society and consent to the collection and disclosure of that information by the Society in certain circumstances, if the buyer is a member of the Society. If the buyer does not wish for his or her personal information to be collected and disclosed by the Society, the buyer must opt out of the option to consent by completing the form below and forwarding it to the Society. If the form is not completed, the buyer will be taken to have consented to the collection and disclosure of that information by the Society.

PERSONAL INFORMATION DISCLOSURE OPT OUT

I, the buyer of animals with the following registration numbers:

from Society member _____ (insert name) do not consent to the Angus Society of Australia using my name, address and phone number(s) for the purposes of effecting a change of registration of the afore mentioned animals purchased, maintaining its databases and/ or disclosing that information to its members on its website.

Name: _____ Signature: _____ Date: _____

Please forward this completed consent opt out form to:
Angus Society of Australia
Glen Innes Road, Locked Bag 11
Armidale NSW 2350

If you have any questions, please contact the Angus Society of Australia by Phone: 02 6772 3011 or
Email: office@angusaustralia.com.au
