INTRODUCTION

After 34 years of Charolais breeding Trevor and Diane Postle have decided to retire. To accommodate this Branchview Charolais are conducting a herd reduction sale of 50 BREEDPLAN recorded Cows and Calves, 48 BREEDPLAN recorded yearling heifers and 1 herd sire.

This represents the heart of the herd with donor cows, outstanding breeding matrons, a great group of first calvers and show prospect heifers both joined and unjoined. With genetics from all over the world, this is an opportunity not to be missed.

The sale will be a simultaneous auctionsplus sale on the 10th of April 2015 with the cows and calves offered for sale at 12 midday and the heifers and herd sire following on from 1pm. There is an instruction sheet included in the catalogue and if you are unfamiliar with AuctionsPlus we strongly advise you to explore the site prior to sale day at auctionsplus.com.au.

For any enquiries please don't hesitate to call Andrew Postle on 0427 682 277 or email branchview@bigpond.com or talk to Peter Bird from Eastern Rural on 0448850987

Regards,
The Postle Family

AUCTIONS PLUS

THIS IS AN AUCTIONSPLUS SIMULTANEOUS AUCTION

auctionsplus
agricultural auctions at a click

During an AuctionsPlus Simultaneous Auction, all lots are available for sale at the same time. The auction will have a set starting time, at which point buyers can place bids on any number of lots. Each lot will have a starting price and a set bidding increment, which may differ between lots.

Shortly after the sale begins, a timer will appear, counting down from 60 seconds. Each time there is a bid on ANY lot, the timer will reset. When the timer reaches zero, the auction will finish. There is no set finishing time for a Simultaneous Auction – it will continue to run as long there is bidding activity.

Online bidding is available only to registered users. Registration is free - visit www.auctionsplus.com.au to register. Please register at least 48 hours prior to the sale.

Microsoft Silverlight is required to connect to AuctionsPlus sales; first time users are advised to visit the Help section of the AuctionsPlus website and do a Software Check to ensure Silverlight is installed. Demonstration Auctions may also be viewed in order for new users to become familiar with the system.

Fernando has done a great job here at Branchview. His first crop of sons were the top averaging sire group in our 2014 sale and his daughters in this sale are a testament to his breeding ability. A quality polled sire with many years of service left in him.
