Breeding Guarantees

Bull- In the unlikely event of infertility, the vendor guarantees that (WITHOUT EXPENSES, interest, costs and damages) if the bull proves to be totally infertile or totally incapable of natural service, provided it is not caused by an injury or disease contracted since leaving the sale, to either replace with an animal of comparable value or credit to the full purchase price will be given at the next sale or on a private sale animal upon return of the affected bull. If the bull does not possess a reasonable fertility, although not totally infertile, any claim shall be considered on its merits by the vendor and his veterinarian.

Any complaint must be lodged with a veterinary certificate within 6 months of the sale direct to the vendor.

Females- All females are sold as guaranteed breeders. In the unlikely event that a female cannot be bred successfully within 6 months from the date of the sale or by the time the female reaches 22 months, the vendor guarantees (without expenses, interest, costs and damages) the purchase be refunded or a replacement female will be given (provided that the purchased female has not been injured or contracted a disease since leaving the sale) upon return of the affected female. This guarantee does not apply to a female that is entered into an embryo transfer programme. The purchaser shall produce a veterinary certificate when required.

***TT Speckle Park Stud is proud to present for sale the
following lots***

51, 52, 53 and 58

These are genuine cattle from a growing herd of 14 pure bred cows and their calves, located in the Port Macquarie area. Currently we are using one pure bred white bull "Raja Juganought" over them. A second speckled bull "Raja Hagrid," will soon take over that role. Both bulls were purchased from Raja Speckle Park. Our cattle are all grass fed and healthy.
