Assessor Comments The Sykes family needs no introduction in breeding quality Hereford cattle. The steers were marked late due to bull selection process and have been marked properly. They present in forward store to prime condition to be weighed sale day after an overnight curfew. the vendor has weighed the cattle 6 older steers that will be sold on their own ave 448kgs green. Three younger steers in a separate draft ave 338kgs green. The cattle will fatten quickly and be a quick turnover for the lucky purchaser.
