A/c R Bitar
6 X 6 Angus Cows and Angus calves at foot 3 mths 2nd calvers not rejoined

Further Entries Invited

August 19 is the day Greenwood Livestock will offer 1,000 cattle, in their annual spring sale. David Bates, Munro, will offer 60 Angus steers, 12-13 months, by Kunuma & Lawson's Angus bulls, which are out of Buchan Statin bred females. The breeding is excellent, and the steers are magnificent, after grazing of sown annual rye, supplemented with hay. David Bates and Ben Greenwood display the steers. A first for Gippsland, the Greenwood Livestock sale will be interfaced with Auctions Plus, and the Bates steers will be the top pick.

N Page, Munro, will offer 75 yearling Angus steers, 22-24 months, at the Gippsland Regional Livestock Exchange. Neil Page has used Pinora & Leawood bulls over his herd, and the steers to be offered on August 19 are of good frame, and forward store condition. Drafted into suitable lines, these steers will foremost in the sights of feedlot buyers. However, with recent bullock sales hitting record levels, local bullock fatteners will be in the mix too.
