

# TRENT BRIDGE WAGYU

A lot of 5 embryos out of WKSFS0100 WORLD K'S YASUFUKU JR and TBRFD0130. This lot of embryos have a nice balance of marbling and growth. Yasufuku Jr is one of the grand sires of the wagyu breed within Australia. D0130, with bloodlines back to Takazakura and Terutani 40/1 has strong marbling and growth.
