 Still with Cows so difficult to assess but appeared to be no temperament issues.

Assessor Comments Inspected in two sets of yards. Very well grown and bred Angus calves. Vendor has established herd by purchasing the noted Connamara Heifers at the Euroa Black Friday Sales and using selected Connamara Bulls. Plenty of stretch and muscle in these calves. No Heifers are being retained and the Top draft will make excellent Future Breeders. Heifers and Steers will be drafted two ways each. Tops of each Sex should average 370 & 340 kg. respectively.
