Temperament	Quiet: 95% Slightly Stirry: 5% Not yarded but were very quiet in the paddock in fact I had to hunt them out of the way to take photos.
Assessor Comments	Well bred heifers with their first calf at foot. Calves are sappy and doing extremely well. Would be 120 - 160 kg. Heifers in great fettle and milking very well. Will be sold in two lines. 14 x 14 Vendor bred and 7 x 7 purchased in. Very little difference in the quality and weight of the two lots. Calves are marked and will need a second vaccination. Very good outfits.
