 Inspected in paddock. Seemed fine but obviously can't make a call on their temperament in the yards.

Assessor Comments Property sale opens the door to purchase some outstanding Angus Females. Could be the foundation of a new herd or bolster an existing breeding operation. Doubt too many judges would fault the quality. A predominance of young Cows with approx. 40 Second Calvers the highlight. Over \$10,000 spent on Bulls and it looks money well spent to me.
