## Welcome

We take this opportunity to welcome you to the 5<sup>th</sup>. Annual Charnelle Invitation Charolais Female sale. This year we have put together another exciting catalogue of 36 females, 10 bulls, 83 embryos, 311 straws of semen, 2 liquid nitrogen tanks, as well as a tattoo set and AI kit.

**Cows & Calves:** We have a reduced number of 9 cows & calves, but the quality is exceptional, starting at lot number 1, a female that was the top priced heifer at the Super Summer sale in 2009. Two young cows, lots 7 & 8 are both well-bred cows, with terrific heifer D'Angely calves at foot. Lot 9 is a Full French D'Angely heifer calf selling with her recipient dam. This calf is out of our top selling female last year.

**Select Heifers:** We have been offering quality females in Toowoomba every year since the first Y2K sale in 2000, and we are not about to stop now. Even after a difficult year, when numbers were going to be tight for this sale, we decided to offer something very special. Lot 10 Charnelle Desire 13, a Full French Polled/Scurred heifer by our new exciting sire D'Angely, would have to be equal to or better than the best heifer we have bred in the 23 years of the life of the Charnelle stud. A beautiful Red Factor heifer comes in as lot 11. Sires represented include Thin Red line, LT Ledger, LT Bluegrass & D'Angely.

**Joined Females:** A great line up of joined females including a few autumn calving cows, and heifers by Mighty Adonis, LT Wyoming Wind, and two French heifers by Aga Khan. These two heifers are PTIC to our two Polled Full French bulls D'Angely & Gallway.

**Unjoined Heifers:** A small number of unjoined heifers, with sires represented include Thin Red line, Pilgrim & Charnelle Frankie.

**Young Bulls:** 10 young bulls will be offered with the feature being the first sons of D'Angely. In all, 6 of the bulls are Full French, 3 by Pinay are from the Jay Tees stud. Two Polled bulls by Thin Red Line & JWX Silver Bullet will also be offered.

As I write this welcome, unlike the last couple of years, we are experiencing good rainfall in the Lockyer Valley, and a tremendous season, and I sincerely hope that where ever you are, the rain starts filling in the gaps as well. One thing I know for sure is the rising beef prices to heights I have never seen. I hope in turn that it takes away some of the pain from droughts and low prices of the recent past.

The sale will again be interfaced on Auctions Plus.  
Short term agjstment is available to coordinate with other sales.  
Transport to most places will be available.  
A canteen will be operating on sale day.

On behalf of the vendors and selling agents we invite, and again welcome you to our sale and look forward to seeing you on Saturday 28<sup>th</sup>. February 2015. We wish you all the best with your purchases.

Warm Regards,  
Graham Blanch.

**Comments:** Festoon D45E, is the result of an embryo bought from Palgrove. She is one of two full ET sisters that was the result of two embryos bought in 2008. The other sister Festoon D50E, is retained otherwise this cow would not be offered. She has tremendous length, perfect udder and milk, and is easy keeping with a great temperament. The other reason why we decided to offer this female is that she has a **D'Angely** heifer calf at foot, born 26/05/2014. GKA K16E. This calf is typical of the **D'Angely** progeny, with terrific length, strength of spine and temperament. Al 'ed to Thin Red Line on 19/10/2014. Expect a heifer calf due on 01/08/2015. Her last calf a bull by Thin Red Line , Jughead J25E will be one of our best bulls to sell this year. Calf vaccinated with 3 germ blood & 7 in 1.

**Comments:** No matter which way you look at her, Desire 13, a Scurred Full French Female is all class. The photo says it all, she is quality from “nose to toes”, feminine, soft, good volume, and very correct. She is so quiet you can pat her in the paddock. She has very good growth. She has had the best weight gain by far of any in her group of females. Why would we offer her for sale? We believe she would have to be the best advertisement for D’Angely you could find. We have three Desire 74 x Exclusif females in our herd, so with the consistency of D’Angely, we believe we can breed more like her. Desire 13 has been DNA tested for the Poll Gene, and found to be a carrier of the Poll Gene. Very nice udder development. Paddocked with Charnelle Jumbo (Thin Red Line) from 18/01/2015. Details sale day. Why not make her your next Show Champion or Donor Female!!!

**Vaccinations:** 7 in 1, 3 germ blood, 3 day sickness, Pestigard

**Comments:** Outstanding hard working seven year old cow with a great track record. She has had 6 calves in 5 years (1<sup>st</sup> in May 2009) and close to having her 7<sup>th</sup> to Charnelle Frankie. Her bulls have all been top drawer with Charnelle Fire Power selling for \$6500. She reared twins the time before last and went strait back in calf. Check out her udder. At Charnelle we have always tried to be particular on udders. This female should have been in the Select Female section. Full sister to Charnelle Cricky (P) sold for \$5000. Out of our number one cow for many years C. Digna 18 (P).

**Vaccinations:** 7 in 1, 3 germ blood, Pestigard

**Comments:** Our very first D'Angely bull to be offered , and what a wonderful individual. He has all the D'Angely trademarks of length, strength of spine, and terrific temperament. We are so impressed with the growth and consistency of the D'Angely progeny and the fact that out of 30 calvings we haven't assisted a calf yet. Justice is polled and ranked in the top 1% for EMA and top 15% for growth. Also has Exclusif and Pinay in his pedigree. (two of the best French AI sires). Just 15 months in the photo, will be 17 months by sale day.

**Comments:** Jean Louis is a scurred Full French bull with a beautiful temperament named after D'Angely's breeder in France, Jean Louis Riotte. This bull has a moderate frame and will be easy keeping. Good testicles and sheath. Good figures for growth and milk. His dam is our number one French Breeder by Exclusif and has taken over from her outstanding dam Riverview Angel. Why not be the first to secure a Scurred, Full French, D'Angely son ? All Charnelle bulls will be semen and morphology tested , with results sale day.

## Ultrasound and Embryo Transfer

There have been many improvements in equipment and techniques for cattle embryo transfer over the last 20 years. Principal amongst these has been the transition to non-surgical embryo transfer and the consistent availability of quality follicle stimulating hormone (FSH). However I believe one of the most significant advances has been the availability of “portable” high resolution ultrasound machines.

We now use trans-rectal ultrasound images to determine the follicular size and number to ensure insemination is correctly timed.

Recipients are routinely scanned before embryo transfer to ensure there is a suitable corpus luteum (CL) and a visibly clean uterine lumen.

Pregnancy testing can be performed at 4 weeks to ensure the empty recipients can be quickly reprogrammed.

Ultrasound foetal sexing between 8 and 10 weeks has been very useful for forward planning in the dairy industry, but is now becoming common place in beef AI and ET programs.

The diagnosis of uterine infections and foetal mummies and the aspiration of cystic ovarian structures have been very useful applications for a crush side ultrasound machine.

Ultrasound imaging does not replace the need for developing good manual skills when examining the reproductive tract of a cow. But in our hands this technology provides detail and understanding that have improved conception rates and the efficiency of our embryo transfer and AI programs.

Myall AC

### Lot 48 3 x A Grade Embryos Myall AC MYA5071E x Apollon IAFA6009F

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

Apollon

**Notes Lots 47 - 49:** Myall AC is a long, quiet, fertile milky show cow with strong growth figures. She was a perennial place getter on the show circuit behind her running mate Myall Arley (Jnr Champ Hfr Ekka & Rocky Beef 2006). Has crossed well with full French bulls. Similar genetics to Lot 49.

AC is a big framed ribbon winning show female who had the dubious title of claiming the reserve ribbons behind her champion stable mate Myall Arley (Jnr Champ Hfr Ekka & Rocky Beef 2006). An ET heifer sibling from this flush sold to Willyama Charolais for \$3,000.00 at 10 months old. AC has been successfully flushed to Exclusif and Apollon and AI'd to Carabinier. This flush has a good spread of mid parent EBV's. Similar genetics to 47.

Palgrove Viagra

### Lot 51 3 x A Grade Embryos Greenwood Estella TSPB43E X Palgrove Viagra (P) PKV92E

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

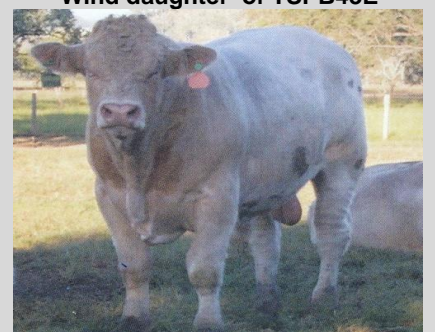

Wind daughter of TSPB43E

**Notes Lots 50,51:** An embryo donor female from the great Estella cow family. Ribbon winning daughter THWD12E (Lot 52) now also donor female. The joining with Viagra would combine some of Palgrove's best genetics including a double dose of the legendary Estella 7.

### Lot 52 3 x A Grade Embryos THW Estella 32 (P) THWD12E X Fernvale Uphill FENU73E

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

Fernvale Uphill

**Notes Lot 52:** Polled cow who was twice Interbreed Champion Heifer. Combined with low birthweight Salopiau Bull to produce low birthweight milky progeny, the male portion suitable for heifer joining. Her Dam also a donor cow in Lot 50. Rare BCR Polled Unlimited x Salopiau genetics.

**Notes Lots 53 & 54:** A combination of power and softness. Red Factor dam a maternal sister to the all conquering THW Dee V8 and daughter of 2006 RNA Interbreed Champion Heifer Advance Friesia, as in Lot 55. An impressive show heifer crossed with the polled curve bending Platinum Ultra. Will have very impressive EBV's.

**Lot 53 3 x A Grade Embryos THW Friesia THWF5E (R/F) x Platinum Ultra AJIU37E**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Lot 54 2 x A Grade Embryos THW Friesia THWF5E (R/F) x Platinum Ultra AJIU37E**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 55:** Red Factor Polled Interbreed Champion Heifer RNA 2006 and then her son took all before him from Junior Champ to Interbreed Champ and then Horden Recipient at the 2010 Sydney Royal. The offspring from this combination would be genetically  $\frac{3}{4}$  siblings to THW Dee V8. Would have very strong breedplan figures with loads of milk. Dam of donor in Lot 53. One of our best ever heifers is out of this cow by Rio Bravo.

**Lot 55 3 x A Grade Embryos Advance Friesia (P) (R/F) x Pinay (FF) OAFU4134F**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 56 - 58:** This combination resulted in a powerful daughter THW Tatt Mac PTIC to Wyoming Wind selling at the Toowoomba Super Summer Female sale for \$9,000.00 in 2007. Aroha 9 is a Polled Impeccable x Mac 2244 genetic special. Her Primemover daughter was shown only once as a heifer picking up all in her way to becoming Supreme Exhibit. The resultant Aroha 9 / Salopiau progeny would have low birth weight with exceptional milk. We have retained two female generations from the Aroha Family.

**Notes Lot 59:** Red Factor cow who was Champion Junior Female Dubbo Beef Spectacular and then third at the Sydney Royal 2007. Full sister to high profile sires Advance XR8 at Gobongo and Advance Dozer who was sold to Moongool. Predicted breedplan figures would be well above breed average for most traits because of Mac's influence, the polled breed legend.

**Lot 59 1 x A Grade Embryo Advance Gina A124 (AI)(ET) (R/F) ADVA124E x WCR Sir FA Mac 2244 (P) OAUB2244E**

**WCR Sir FA Mac 2244**

**Notes Lot 60:** Same dam as Lot 59 but the combination with EC No Doubt on the mating predictor realises near perfect breedplan figures. Low birth weight, heaps of milk, great growth, large EMA, plenty fat, etc, etc.  
Polled females by Mac, Mr Perfect and No Doubt have been retained.

**Lot 60 2 x A Grade Embryos Advance Gina A124 (AI)(ET)  
(R/F) ADVA124E x EC No Doubt (P) OAUZ2022E**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 61:** Chiffon is a daughter of the legendary Primadonna who herself is a product of Fernvale's two great cow families Cynthia & Ja-Cie. Primadonna has exceeded in over ½ million in direct sales including Chiffon and her full siblings the \$24,000 Vienta, \$14,500 Yellow Gold and the renowned Rosedale sire, Fernvale Trapper. Chiffon is similar in all traits to her dam, a quality milky large volume female. She polls most of her siblings so a joining with a doubled polled sire is a positive. Polled Mac and Jager sons are currently on stud duties and her three natural heifers are all polled. Flushed to the double poll, Red Factor, multiple winning Canadian bull, Harvie Redemption a quality product is assured, possibly R/F and mostly polled. Both animals complement each other which shows up on the mating predictor with top 5% in scrotal, rib and rump fat – top 10% in 400 & 600 day – top 15% in 200 day and NT index – top 25% in milk, domestic and export indexes and above breed average for most other traits. Potential front paddock animals.

**Lot 61 3 x A Grade Embryos Fernvale Chiffon FENC22E x  
Harvie Redemption (R/F) (P) OACZ6641E**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 62:** This is a young soft feminine polled cow with a perfect udder and teat placement, loads of milk with great feet and conformation. Her pedigree is stacked with high profile genetics such as her sire, the cowmaker Duke 835 and her dam Chiffon who is a daughter of the legendary Primadonna. So impressive are Chiffon 835's breedplan figures, she turned her Gaugin son Piora King Pin's Breedplan data not only to above average but polled him as well.  
*"His mother is doing an outstanding job on him and show aspirations should be on his radar."*  
Comments by Peter Atkinson BVSc on Piora King Pin and his dam Chiffon 835.  
Because of Chiffon 835's ability to poll, correct and improve all traits, we have tried to replicate the polled French connection again by using Exclusif, widely regarded as the best French bull of his time. Mating predictor EBVs suggest above average figures for most traits from low BWT, heaps of milk to high index figures. If the Gaugin calf is anything to go by, these flush siblings should be exceptional.

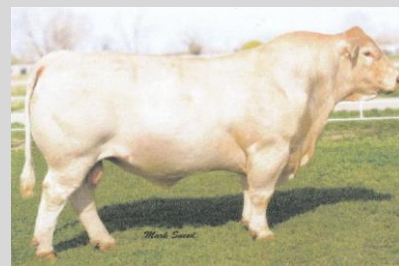

**Lot 62 3 x A Grade Embryos Valley View Chiffon VLWG68E  
x Exclusif (FF) OAFJ858F**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 63:** Bronwin 153 was a purpose selected female from the heart of the Palgrove herd, chosen because of the Bronwin's family history and genetics, her show qualities and her herd improvement ability.  
*"Grand dam Bronwin 40 – another super donor cow with progeny selling to \$25,000 and then she herself sold for \$18,000 at 10 years of age. Her dam Bronwin 73 is a picture perfect donor ljoufflu daughter from Bronwin 40 and is also the maternal sister to Bronwin 55 the supreme beef female at the Sydney Royal and was sold for \$25,000.  
Bronwin 73 had up to 35 registered progeny and was a benchmark breeding cow at Palgrove, and the joining with Palgrove Courage, a Windfall son, who has produced us some of the best udder daughters including Bronwin 153, and phenotypically perfect sons."*  
*(Excerpt from Palgrove sale catalogues)*  
A Bronwin 153 x Redsmoke flush should result in mainly polled and possibly Red Factor progeny with exceptional breedplan figures from BWT and growth through to carcase. The resultant progeny would be exceptional in anyone's paddock.

**Notes Lot 64:** A combination of rare genetics and breed legends in a single package. Triple J Pacman the Canadian bull used extensively producing quality siblings in a variety of studs with progeny such as Baroola Karla, Branview Knickers, Rosewood Showboy etc. BR Duke 261, the magical female producer and performance sire of the breed and sire of Estella 214. Palgrove Estella 73 the \$32,000 daughter of the legendary Estella 7 and dam of Estella 214 with standout siblings Viagra and Archer. An excellent spread of above breed average mid-parent EBV's including low birthweight, heaps of milk, good growth, carcass traits and fat cover.

**Lot 64 3 x A Grade Embryos Palgrove Estella 214 PKA416E x Triple J Pacman OACA6700E**

Purchaser/ Buyer \_\_\_\_\_ \$ \_\_\_\_\_

**Notes Lot 65:** A very special polled R/F daughter from the best Gobongo female in Rebbly W100, by the sought after high performance female producing bull Harvie Jager. Rebbly's genes carry all the polled R/F breed leading EBV's and weight gain power of her sire. Rebbly's full siblings have won broad ribbons in national shows across the eastern seaboard, with Monument Valley Hope sold to a syndicate of breeders at the Sydney Royal at weaner age for \$12,000. These are the last of the Rebbly embryos for sale until she is flushed to MNE Golden Eagle in Autumn. The sire Cigar needs no introduction and is well proven in siring cattle with tremendous early growth, rib eye and butt shape. This combination should provide staggering growth figures with top 1% for 200 and scrotal, top 5% for 400 and G.L, top 10% for 600 and top 20% for milk.

**Notes Lot 70 - 72:** This combination of Palgrove Friesia 19 and Mac 2244 has already produced three wonderful heifers into our herd. Check out the EBV's of the full siblings. All growth traits, milk & fat all in the top 10%. Palgrove Friesia 19 is no stranger to producing herd sires with P. Casino, herd sire at Palgrove, P. Coach at Rosedale, also herd sires at Kilkenny Charolais and Carinya Brahmans. With the Harvie Redemption mating we believe that has to be another herd sire or donor female in the making.

### CONDITIONS

#### IMPORTANT NOTICE

All bids shall be treated as offers made upon

1. The highest bidder shall, subject to Conditions 2, be the purchaser provided that the vendor reserves the right to bid either by himself or through his agent or auctioneer and should any dispute arise among the bidders for any lot, during or immediately after sale of the lot, it shall be settled at the auctioneer's absolute discretion who may, should one of the disputants advance, put the lot or lots up again. The bidding from time to time shall be regulated by the auctioneer and no bid shall be retracted.
2. The sale will be conducted on a "Sale" or "No Sale" basis, whereby the lot for sale shall be knocked down to the highest bidder, but the sale will be subject to the acceptance of the highest bidder such bidder will have the right of first refusal of the lot at the vendor's nominated price for one hour after the lot has been passed out of the ring on the Terms and Conditions herein set forth in so far as they shall apply.
3. The details of the purchaser, the purchase price and the lot sold as recorded by the Sale Clerk for and on behalf of the auctioneer shall be equally binding on both purchaser and vendor.
4. The auctioneer expressly reserves the right, without giving any reason therefore to:-
  - (a) Refuse to acknowledge any bid;
  - (b) Withdraw any lot or lots before or during the sale;
  - (c) Exclude any person from the auction venue should it think fit.
5. Each lot in all cases shall be at the risk and expense of the purchaser, upon acceptance of his bid by the vendor or upon acceptance of the highest bidder's offer by the vendor whichever shall be the earlier.
6. Except as expressly provided in these Terms and Conditions of Sale no guarantee or warranty shall be given in respect of any lot sold under these conditions as made before or at the time of the sale, or from any circumstances of the sale, but in all cases where a guarantee is intended the same shall attach and be enforceable only if reduced to writing before delivery of the lot and signed by the vendor or by the auctioneer acting as agent for the vendor, and the absence of such writing shall be conclusive evidence in case of dispute that no guarantee, warranty or condition whatsoever was given or implied.
7. In the event of any dispute in respect to the sale of any lot:-
  - (i) The purchaser shall nevertheless be obliged to pay to the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions;
  - (ii) The vendor and the purchaser shall resolve the dispute between themselves;
  - (iii) The auctioneer shall have no liability or responsibility in regard to the dispute; and
  - (iv) No lot shall be returned to the auctioneer and the purchaser shall indemnify the auctioneer for all costs, expenses and damages which the auctioneer is put to or incurs by reason of the purchaser so doing.
8. The name of the vendor for whom the auctioneer acts is acknowledged to have been furnished to purchasers prior to sale and further particulars will in all cases be furnished to a purchaser if required. In the case of any dispute the remedy of the purchaser shall be against the vendor only and in no case or under any circumstances against the auctioneer who is to be regarded for all intents and purposes as agent for a disclosed principal.
9. (a) PAYMENT - Unless prior credit arrangements have been made in writing with the auctioneer the full purchase price for each lot shall be due and payable to the auctioneer in cash upon acceptance of the highest bid or the highest bidders' offer by the vendor and prior to delivery. Notwithstanding that delivery is given to or possession obtained by the purchaser or his representative prior to the payment of the purchase money in full the property in any lot which is sold shall not pass to the purchaser until the full purchase price and cheques, promissory notes, bills of exchange, acceptance orders or drafts given in connection with such payment have been paid and liquidated and until property shall pass, the purchaser shall hold such lot as Bailee, provided that in all cases should such payment not have been made and liquidated within 14 days of the date of the sale the auctioneer reserves the right to:
  - (i) Rescind the contract on behalf of the vendor and repossess and resell any lot;
  - (ii) Recover from the purchaser interest upon the purchase price at a rate per annum which aggregates the AMBA Bill Rate and two percentum. For the purposes of this condition, the expression "The AMBA Bill Rate" is the rate published by the Australian Merchant Banker's Association in good faith as at the date of the sale as its Bill Rate for 180 day Bills of Exchange expressed as a percentage per annum. If at any time the AMBA Bill Rate becomes unavailable for any reason, the auctioneer shall determine and advise the purchaser for the interest rate to apply for the purpose of this condition.
9. (b) The auctioneer is selling as the del credere agent of the vendor and the full purchase price of any lot sold shall be payable by the purchaser to the auctioneer and be fully recoverable by the auctioneer in its own name.
10. If the purchaser shall neglect or fail to comply with any of the within conditions any lot purchased by him may be immediately resold by Public Auction or Private Contract, with or without notice, at the risk of the former purchaser, who will be held responsible for all loss and without notice, at the risk of the former purchaser, who will be held responsible for all loss and expenses arising out of such resale, and shall not participate in any profit accruing therefrom.
11. Any vendor or purchaser removing the Sale Number from any lot after it has been sold will fully indemnify all affected parties for any loss, costs or damages should the lot be wrongly delivered.
12. The purchasers, if more than one, shall be jointly and severally bound by these Terms and Conditions and shall jointly and severally carry out and perform sale.
13. Any person who advances a bid on a lot shall do so on the expressed condition and understanding that should that person's bid be the highest bid and such bid is accepted by the vendor, then that person will be held personally liable for the price so agreed upon, regardless of the fact that that person may be acting on behalf of another party, either disclosed or undisclosed to the vendor or the auctioneer, provided however that this condition shall not in any way negate the vendor's right to claim against any principal and in such case the bidder's liability shall be construed to be by way of guarantee.
14. The auctioneer may, should it think fit, make arrangements on a purchaser's behalf, for the feeding, watering, trucking, shipping of and general attendance to any lot after sale but no responsibility will be accepted by the auctioneer and all such service will be at the purchaser's risk and expense.
15. No lot will be delivered until the sales invoice has been checked and signed by the purchaser or his duly authorised representative.
16. (a) Each lot in all cases shall be sold with all faults, if any, and excepting those conditions and warranties implied by the Trades Practices Act or any applicable State legislation which cannot be contractually these Terms and Conditions of Sale, any express or implied condition, statement or warranty, statutory or otherwise, is hereby executed. The auctioneer is not liable in respect of any error, misdescription or omission shall entitle the purchaser to annul the sale or reject the lot or claim any compensation, damage or abatement in price.
16. (b) Each lot will be sold subject to passing all veterinary tests required by the law of the State or country to which the purchaser intends to transport that particular lot such tests to be undertaken at the purchaser's expense and concluded immediately following the sale. In the event of a lot failing to pass these tests, the sale shall be null and void, any purchase moneys paid by the purchaser shall be refunded and property in the lot shall revert to remain with the vendor.
17. In the event of a dispute as to whether a lot is a breeder, such dispute shall be resolved by the vendor and the purchaser, and the auctioneer, while he shall use his best endeavours to assist, shall have no liability or responsibility in that regard. In the event that a lot is alleged or proved not to be a breeder, the purchaser shall nevertheless be obliged to pay the auctioneer the full purchase price and any other moneys or interest payable by the purchaser in accordance with these Terms and Conditions.
- 18 (a) Each lot shall be at the risk of the vendor in respect of any damage or injury, whether by disease, accident or otherwise, for the period that the lot be in the custody of the auctioneer, PROVIDED THAT the auctioneer, its servants, agents and employees shall use all reasonable care to protect and control the lot while it is in the auctioneer's custody AND PROVIDED THAT when a lot has been sold, it shall be at the risk of the purchaser in all respects.
- 18 (b) If any vendor brings to the premises any lot which is dangerous, or infected with any disease, that vendor shall be liable for all injury, damages, costs, losses or expenses which the auctioneer may sustain, incur or be put to either directly or indirectly as a result of the vendor so doing. The auctioneer reserves the right in its absolute discretion, to exclude from the sale venue or dispose of any lot which in its opinion shows signs of any disease, whether infectious, contagious or not, or of any serious fault or of being dangerous.
19. DELIVERY. Except at the discretion of the auctioneer, no lot shall be delivered to the purchaser unless payment of the purchase money together with any additional charges incurred including those expenses incurred by the auctioneer, pursuant to Condition 14 hereof, is first made by the purchaser to the auctioneer. Release of lots may be withheld by the auctioneer until personal cheques are cleared.
