

Junior Livestock Cadetship

The opportunity

We are pleased to announce an exciting opportunity has arisen within our network for a Junior Livestock Cadet.

This is a fantastic entry level opportunity to begin your long and successful career in the agricultural sector through a livestock agency business. We are looking for an individual who is keen to experience on-the-job training. You will be responsible for working at the weekly cattle and sheep markets ensuring that your team members have the necessary assistance to perform the requirements of their position, along with helping with assessing stock, general livestock drafting and office duties.

You will get the opportunity to work alongside multiple rma network members in different locations throughout Australia as well as spend some time at our Bendigo head office & Dubbo branch office.

You will learn about

What makes a successful Livestock Representative or 'Agent'

- Technical assessments of livestock
- Quoting, contracts, systems and processes that support our commercial operations
- End to end systems of the Livestock supply chain
- Compliance and legislation that plays a key role in the industry

Apply Now

Email your resume and a handwritten covering letter outlining your suitability for the position together with any specific questions about the role to careers@rma.com.au

Remuneration would be in line with the applicant's skills and ability.

For more information please contact: rma network on (03) 5443 7104 or email careers@rma.com.au

Who we're looking for

We are looking for a candidate who has the desire to become a successful livestock agent. This position is an 18 month contract with every possibility for ongoing employment post contract with an rma network agency member.

You must be able to work as part of a team, be a fast-learner and be able to accurately follow all instructions and procedures.

Additionally, the ideal candidate will be able to take initiative in problem-solving, but also possess the confidence to ask further questions when required.

Along with these qualities, you will have the following attributes:

- Motivation and enthusiastic mindset, with a positive attitude
- Work with strong attention to detail
- Excellent written and oral communication skills
- A passion for sales, good stockmanship, and a willingness to learn at every opportunity
- The ability to grasp new concepts quickly and be physically fit
- A basic understanding of the agricultural industry, and current challenges - some practical farming experience would be advantageous, but not essential
- Hold an Australian driver's licence (minimum green 'P' plate classification)
- Be willing to relocate anywhere around Australia.
