Temperament Quiet: 90% Slightly Stirry: 10%
 Inspected in paddock and therefore unable to vouch for temperament in the yards but certainly appeared no problems.

Assessor Comments Mortlake District bred calves, to be weaned day after my paddock inspection. These steers display the growth and muscling we have come to expect from Banquet blood Angus. Will draft into beautiful pens with weights available morning of sale. Very well grown for April / May drop. Expect to av. around 360 kg. overall.
