Assessor Comments The Mount Widderin steer weaners are a feature of the Annual Hamilton Weaner sales and have been awarded "Best Presented Pen" Six or Seven times. No expense is spared in buying bulls and management practices are exceptional. The Notman Family have sold Mount Widderin so this is the last chance to acquire this quality line of March/April drop steer weaners. The lead draft are expected to average approx. 390-410kg/lw, the second and largest line are expected to

average approx. 350-365lg/lw and the thirds 300-310kg/lw.
