SEMEN PACKAGE TBRFF0126 TRENT BRIDGE F F0126 (AI)	TRENT BRIDGE WAGYU ARMIDALE, NSW	SEMEN PACKAGE, TBRFF0126. LOT NOTES Top 10% Fullblood Terminal Index - SEMEN - 10 STRAWS from TBRFF0126, not eligible for export. This is a rare opportunity to secure some exceptional genetics. F0126 is a certified trait leader; in the top 1% for both Fullblood Terminal Index (298) and Marbling (1.3). He has sired a number of high indexing animals. This high Tajima semen is ideal for Fullblood Wagyu or the first cross market.	John Settree Landmark 0408 297 368
SEMEN PACKAGE IGWFH0013 IRONGATE ITOSHIGENAMI H13	IRONGATE WAGYU ALBANY, WA	SEMEN PACKAGE, 1GWFB0006. LOT NOTES Top 10% Fullblood Terminal Index - SEMEN - 10 STRAWS. IRONGATE ITOSHIGENAMI H13 is a son of ITOSHIGENAMI B6 and from a dam that has produced some very heavy progeny carcass weights. We currently have some of his progeny in the feedlot with processing and carcass results to be received in the October 16 quarter. However if you are interested in a newer sire with extraordinary growth rates and a long body that will likely produce a decent marbling result then IRONGATE ITOSHIGENAMI H13 may be worth taking some interest in. We will keep you updated with our carcass performance results.	John Settree Landmark 0408 297 368
SEMEN PACKAGE IGWFG0125 IRONGATE ITOSHIGENAMI G125 (AI) (ET)	IRONGATE WAGYU ALBANY, WA	SEMEN PACKAGE, 1GWFG0125. LOT NOTES Top 10% Fullblood Terminal Index - SEMEN - 10 STRAWS. IRONGATE ITOSHIGENAMI G125 (AI) (ET) is a son of the great ITOSHIGENAMI TF148 and from a dam C05 that is a cross from the sires ITOMORITAKA and TF KIKUHANA 37/1. We currently have been using G125 extensively in F1 production (Angus) and achieving consistent MS 6.5 average. He produces large framed progeny whilst retaining the great marbling attributes of his sire ITOSHIGENAMI.	John Settree Landmark 0408 297 368
SEMEN PACKAGE KJDFC0087 LAKE WAGYU C087 (AI) (ET)	LAKE WAGYU RINGWOOD EAST, VIC	SEMEN PACKAGE, KJDFC0087. LOT NOTES SEMEN - 10 STRAWS. C87 is our senior bull and his semen and embryos have now been exported to twenty countries. Well balanced with famous sires in his pedigree. He was by Michifuku out of a daughter of TF151 Itozurudoi. C87 has an excellent temperament which he passes on to his calves. I only wish we had a paddock full of Itozurudoi sons and daughters. C87 has grown into a most impressive bull showing great growth, fertility and marbling in his progeny. For the first time we have produced sexed semen from C87 qualified for export to most countries including the EU and China. We have had two production runs with indications they will see strong demand.	John Settree Landmark 0408 297 368

2 X LOTS OF 10 STRAWS Longford 004 Reg. LDFY0004	Armidale, NSW	A/C HUGHES PASTORAL. One of the highest marbling bulls on the semen market in Australia with a huge eye muscle and very fine marbling as well. He has an outstanding pedigree being by ETJ003 out of a Michifuku daughter who was a full sister to the great bull Shigesigetani whose dam is the most famous Suzatani. Y4 is an exceptional bull for the Fullblood Wagyu breed and the F1 Angus x Wagyu market. Ideal for heifers.	Angus Laurie Landmark 0418 587 643
1 X LOT OF 10 STRAWS Westholme Hirashigetayasu Z278	Armidale, NSW	A/C ACADEMY WAGYU. Westholme Z278 is one of the highest bulls on Breedplan for Growth, Milk, Scrotal Size and Retail Beef Yield. He is a big bull, nearly 1 ton and still moves beautifully on near perfect feet at 12 years of age. He is extremely correct in his structure and is the bull to use if you are wanting to build a cow herd of big, functional, high milking, quiet cows	Angus Laurie Landmark 0418 587 643
1 X LOT OF 10 STRAWS Academy Red Wagyu Recital J34	Armidale, NSW	A/C ACADEMY WAGYU. ARWFJ0034 Recital J34 is another up and coming young sire in the Red Wagyu breed. He comes from an excellent cow family, his dam being one of the beautiful females in the breed. The sire of Recital - Sumo Bib Al E211 was 1010 kgs at 4 years old and has left some beautiful progeny, his first daughters are starting to calve now, they are big heifers with beautiful udders and lots of milk. Recital being a double bred Big Al should throw progeny who marble well, grow well and milk well.	Angus Laurie Landmark 0418 587 643
1 X LOT OF 10 STRAWS ACADEMY RED WAGYUS TAMBO H18	Armidale, NSW	A/C ACADEMY WAGYU. Tambo H18 is a very exciting young sire in the Red Wagyu breed as his calves stand out in their groups for their size, length, beautiful heads, structural correctness and lovely fine coats.. Tambo comes from the Tamamaru line on the sires side which is lesser known but still very good and on the dam side Sumo Big Al E424 who is perhaps the largest framed Red Wagyu cow that I have owned. She is extremely long, very feminine, good milking and a real asset to the breed where the females are generally not large framed. The Big Al line is known to be the top marbling line in the Red Wagyu breed.	Angus Laurie Landmark 0418 587 643
