SALE INFORMATION

SALE REBATES:

1. A 5% rebate will be paid to outside agents who attend this sale with or on behalf of their clients and settle within 7 days.
2. A 2% rebate will be paid to all agents who introduce their clients prior to the sale but do not attend the sale and settle within 7 days.

STOCK HEALTH:

Anvil is **MN2** accredited (VC 651) under the BJD Market Assurance Program. All bulls have been through the Pfizer "Star" program which requires them to be notched and tested for BVDV PI. Vaccinated twice with Pestiguard, Ultravac 7in1 and Vibrovax. Drenched prior to sale. In addition all bulls have been inspected by Drew Pickford at Nationwide AB for semen morphology and breeding soundness, having been semen and physically examined. Liam Cardile of LRC Livestock has also independently structurally assessed the bulls and the results will be available pre-sale from Jess on 0429 843 625 and on the day.

PHONE BIDDING:

Please contact Andrew Allan at least 24 hrs prior to the sale on 0428 410 341.

TRANSPORT:

Anvil prides itself on "our farm to your farm" service. All bulls are delivered **free of charge** - Either by Anvil directly or by a small select group of operators we trust to look after your investment. If you have any questions please contact Ian Bates on 0418 367 209.

INSPECTION:

We encourage buyers to inspect the bulls prior to sale day. This allows us to discuss with you the bulls in greater detail and assist in selection of a sire best suited to your requirements. Please call Ian on 0418 367 209 to arrange a visit. Lots catalogued will be available for inspection from 10.00am on sale day, Wednesday 5th August.

ANVIL GUARANTEE:

Anvil 2 year Guarantee

All bulls have been assessed for structural soundness and evaluated for fertility. To the best of our knowledge the bulls offered are in sound working order as at the time of sale. If during the next 24 months, a bull breaks down due to reasons other than illness, injury or disease contracted after leaving Anvil, we will:

1. Look to provide a mutually agreed upon replacement as quickly as practicable, or if a replacement is not possible;
2. We will issue a refund equal to the purchase price minus any salvage value. In some cases a veterinary report may be requested. The guarantee is for the value of the bull, without interest, costs or damages.

It is important to understand that normal care and good husbandry practices must be observed as replacement or a credit is not available if a bull is simply injured or dies for any other reason. As such we highly recommend you insure your bull/s against injury or death. A Rodwells Insurance agent will be available on the day.

DISCLAIMER:

Whilst all due care and attention has been paid to accuracy in the compilation of this catalogue, neither the vendors, the selling agents or representatives thereof assume any responsibility whatsoever for the correctness, use or interpretation of the information on animals included herein.

Welcome to the 1st annual Anvil Angus Autumn Bull Sale.

We appreciate you taking the time to view our catalogue and invite you to attend our bull sale preview on Wednesday 2nd March at Acheron, Vic and the bull sale on Thursday 24th March at Kensal Green, Bungowannah, NSW.

How fast 10 years has flown by. It seems like only a couple of years ago we moved our small herd of registered cows to Acheron and hosted our first sale. That year we sold 19 out of 24 bulls with the top price bull, A75, selling for \$5,250 to Ted Moss at Ancona Station. The sale was held in a very temporary sale ring under a marquee. We knew back then what we wanted to achieve long term and progressed at a rate the market dictated. Over the next few years we moved to a permanent sale ring, still using a marquee. Next was a shed and finally we have our purpose built sale headquarters and office. Now we are expanding into NSW and looking for a property to have a more permanent base of operations.

All of this is the direct result of you, our clients and friends, who have supported our sales. For this we are forever thankful. You have offered feedback and advice, most of which we would like to think we listened to, adding it to our own goals and directions. We have worked to produce a range of bulls rather than a singular type and bulls that are suitable for a number of markets and cow types. We have also focused on delivering this at the right price by increasing the number of bulls rather than letting the average drive up.

At the heart of our program we realise that our job is not so much selling a bull as it is selling pregnant cows. A bull's primary role is getting cows in calf and as a result we have focused heavily on fertility. Sometimes, to our own detriment, when we have withdrawn a bull from our sale for not meeting our standards, which others would have otherwise sold. The upside of this are the phone calls we receive from you telling us how happy you have been with your pregnancy rates.

Next in priority to pregnancy rates comes cow functionality. A cow must have a physical structure that will provide longevity in the herd. She must have an udder shape, teat size and attachment that will ensure a calf can suckle from birth to weaning. Sire selection for us is very cow focused. We are constantly thinking about the end effect on our cows and ultimately your cows when we select bulls.

To this end I think you will be very excited with the new sires in this year's sale and be happy to see we have kept some of the more popular lines. The South Dakota sons for us offer a chance to return to the Density line and type of bull, but bring in a more performance focused edge. This is his first set of sons to sell and will probably be the only set offered anywhere in Australia.

Another highlight are the GPS and Gus sons offered for sale. Earlier sisters to these bulls are in production and look fantastic with excellent feminine confirmation and stout calves at foot.

We look forward to seeing you on sale day and hope you can take the time to join us after the sale for an Angus Steak.

Stephen and Melissa Handbury

IMPORTANT NOTICES FOR PURCHASERS

~ SALE CATALOGUE DISCLAIMER ~

All reasonable care has been taken by the vendor to ensure that the information provided in this catalogue is correct at the time of publication. However, neither the vendor nor the selling agents make any other representations about the accuracy, reliability or completeness of any information provided in this catalogue and do not assume any responsibility for the use or interpretation of the information included in this catalogue. You are encouraged to seek independent verification of any information contained in this catalogue before relying on such information.

~ DNA PATERNITY VERIFICATION ~

It is a requirement of Angus Australia that all bulls used to sire calves for registration in the Angus Australia Herd Book Register, Red Angus Register or Angus Performance Register must have been DNA paternity verified if they are born in or after the 'Y' year (2003). Buyers intending to use bulls listed in this catalogue to produce calves to be registered in these registers should obtain DNA paternity verification on those bulls before they are used for breeding.

~ PRIVACY INFORMATION ~

In order for Angus Australia to process the transfer of a registered animal in this catalogue, the vendor will need to provide certain information to Angus Australia and the buyer consents to the collection and disclosure of that information by Angus Australia in certain circumstances. If the buyer does not wish for his or her information to be stored and disclosed by Angus Australia, the buyer must complete the form included below and forward it to Angus Australia. If the form is not completed, the buyer will be taken to have consented to the disclosure of such information.

BUYER'S OPTION TO OPT OUT OF DISCLOSING PERSONAL INFORMATION TO THE ANGUS AUSTRALIA

If you do not complete this form, you will be taken to have consented to Angus Australia using your name, address and phone number for the purposes of effecting a change of registration of the animal(s) that you have purchased, maintaining its databases and disclosing that information to its members on its website.

I, the buyer of animals with the following registration numbers from member (name) do not consent to Angus Australia using my name, address and phone number for the purposes of effecting a change of registration of the following animal(s) that I have purchased, maintaining its databases and disclosing that information to its members on its website.

Signature:

Date:

Please forward this completed consent form to Angus Australia, Glen Innes Road, Locked Bag 11, Armidale NSW 2350. If you have any queries, please telephone 02 6772 3011 or e-mail office@angusaustralia.com.au.

*We would like to thank all buyers, bidders and visitors
for your support.
Please join us for refreshments and a great Angus steak
after the sale.*

LOCATION MAP

Please bring this catalogue to the sale with you.
