It is with great excitement and pride that we offer this outstanding catalogue of females to you.

We have selected deep into the heart of the herd and with over 40 years of breeding simmental cattle, we are confident that these females are some of the very best you will find.

Lot 1 offers a unique opportunity to select the very best heifer calf from the entire 2015 drop of heifer calves. This opportunity could be a herd changing decision with some of the most exclusive genetics available in the industry.

The catalogue is deep in genetic predictability and backed up with females displaying the "Woonallee stamp" of moderate framed, thick, easy doing cattle with efficiency and style.

We are proud of this offering and believe it offers a wide and diverse range of simmental females, whatever your requirement.

Please feel free to contact us if you require any further assistance with your selections. We look forward to seeing you on the 20th of November.
