From the Anden Stud

What a positive start to the season & it's been extremely pleasing to see the lamb markets holding strong. Congratulations to previous buyers of Anden flock rams, who have had much success with lambs at market again this year. We are continuously working to produce the best genetics that will strengthen the industry.

In August, we were thrilled to show at the Hamilton Sheepvention for the first time in over 10 years. It was a great opportunity catch up with some fellow stud breeders and showcase both Anden & Kerangie Stud rams. We were very proud to have won the Supreme Short Wool Interbreed Ram with Anden 150277. We look forward to returning to Hamilton next year.

We also made it back to the 2016 Royal Adelaide Show in early September with a team consisting of 2 Suffolk rams and 6 White Suffolk rams.

Our Suffolk stud had a fantastic showing with a 1st place in the Ram, born on or before 30 June in the year prior to the Show with Kerangie 150530 and 2nd place in the Ram, born on or after 1 August in the year prior to the Show, shorn with Kerangie 150545 (lot 192)

Kerangie Suffolk 150530 had a perfect showing, going onto win Champion Suffolk Ram and Supreme Suffolk Exhibit, he is available for purchase at Lot 187.

Our White Suffolk rams impressed judges and breeder again at the Royal Adelaide by coming away with a 1st and 2nd place in the Ram under 1½ years, born on or after 1 August, in the year prior to the Show with Anden 150277 and Anden 150325 (lot 25)

Anden 150277 certainly stole the show winning Junior Champion White Suffolk Ram, Grand Champion White Suffolk Ram, Champion Shortwool Ram and awarded Supreme Champion Ram of all Prime Lamb and Maternal Breeds.

With positive comments from the judges who praised his great structure and muscle and also commended his early maturing, we were extremely happy with the work we have put in particular to this ram and we very much look forward to seeing what he can do for the buyer. He is available for purchase at lot 23.

We are very proud to present to you the 21st Annual Anden Stud Sale. Once again we are extremely pleased with the rams we have on offer. We are also quite excited this year, as it is our 21st birthday, to be offering 21 Specially Selected Anden White Suffolk Ewes. With an average Carcase+ of 199, these ewes are elite and very capable of enhancing any breeders flock. These ewes on offer have been specially handpicked from the core of our 2015 drop ewe lambs with the hope people will make the most of this rare opportunity.

This year we will also be offering the EasyCare Composite rams that we have been working on for the last 6 years with the aim to produce an easycare, shedding ram with low to moderate birth weights, with strong structure and that is able to do well in any conditions. The breeding has come from the result of using high performance Dorper and Ultra White sires over our best Poll Dorset ewes. We are excited with the direction our breeding program is heading and the time has come to put them in the sale.

We look forward to seeing you on October 6th.

Regards, Andrew & Denita, John, Joel & Lauren

Flock History

Anden White Suffolks

The Anden White Suffolk Stud, Flock No. 91 was founded in 1989, by Andrew and John Donnan, using Suffolk ewes from Kerangie and Stone Haven studs. Sires have been introduced from top White Suffolk studs. Anden was built on a passion to provide the best genetics to breeders. Results at market reflect the enhancement that Anden rams have given to previous buyers.

We have had much success at the Royal Adelaide Show over the years and acknowledge the studs' achievements.

Viewdale Poll Dorsets

In 2008 Poll Dorsets were introduced into the Anden Sale. The Poll Dorset Stud, Viewdale, Flock No. 368 was founded and registered in 1960 by George and Stan Donnan. The Stud went into recess in the early '80s.

With a view to provide sheep breeders with the type of ram they wish to strengthen their breeding program, in 2006, we decided to re-activate the Viewdale Poll Dorset Stud. We endeavor to set high standards with our Poll Dorsets ensuring breeders will achieve greater lamb market returns.

Kerangie Suffolks

In 2010 we re-activated the Suffolk Stud name Kerangie, Flock No. 2187. The history of the Suffolks is one of John's passions. John and his wife, Melva, founded the Kerangie Stud in 1971 and had many highlights and much success at shows. It is a privilege to bring the Kerangie Suffolk Stud back to Willangie.

The Kerangie Stud is determined to maintain standards, with high performance and quality at the top of our agenda.

All sheep are presented with across flock EBVS as at August 2016, for some assistance in selecting stud sheep across all of the Australian White Suffolk Flocks using the Carcase Plus Index and Lamb 20-20 Index.

- Ovine Johne's Disease MN3 (2002) Status (VS 1212)
- Ovine Brucellosis Accredited Free (No. 2063)
- All sheep vaccinated (August), Drenched & Zapped.
- Footrot free
