Flock History and update...

Anden White Suffolks

The Anden White Suffolk Stud, Flock No. 91 was founded in 1989, by Andrew and John Donnan, using Suffolk ewes from Kerangie and Stone Haven studs. Sires have been introduced from top White Suffolk studs. Anden was built on a passion to provide the best genetics to breeders. Results at market reflect the enhancement that Anden rams have given to previous buyers.

We have had much success at the Royal Adelaide Show over the years and acknowledge the studs' achievements.

Viewdale Poll Dorsets

In 2008 Poll Dorsets were introduced into the Anden Sale. The Poll Dorset Stud, Viewdale, Flock No. 368 was founded and registered in 1960 by George and Stan Donnan. The Stud went into recess in the early '80s.

With a view to provide sheep breeders with the type of ram they wish to strengthen their breeding program, in 2006, we decided to re-activate the Viewdale Poll Dorset Stud. We endeavor to set high standards with our Poll Dorsets ensuring breeders will achieve greater lamb market returns.

Kerangie Suffolks

In 2010 we re-activated the Suffolk Stud name Kerangie, Flock No. 2187. The history of the Suffolks is one of John's passions. John and his wife, Melva, founded the Kerangie Stud in 1971 and had many highlights and much success at shows. It is a privilege to bring the Kerangie Suffolk Stud back to Willangie.

The Kerangie Stud is determined to maintain standards, with high performance and quality at the top of our agenda.

From the Anden Stud

Over the year the commercial sheep industry has been strong, with pleasing results at market. It has also been pleasing to see previous purchasers of Anden flock rams having topped local markets again this year. Genetics play a big part in our industry and we are more than happy to promote the position the Anden Stud is in, regarding the Lambplan figures. The figures/graphs from the mla Sheep Genetics trace our progression and the position our Rams are in today. Once again selection of Sires were strategically chosen for our AI & ET programs, as well as our Natural breeding program, so as to give producers the best performance Rams available.

In July, Andrew had the honour of judging at the Australian Sheep & Wool Show at Bendigo. This year the Anden Stud show team comprises of five White Suffolk Rams and three Suffolk Rams. This team competed in the 2015 Adelaide Royal Show. (No results as at the printing of this catalogue).

Flock History and update...

On a personal note, we are thrilled for Joel and Lauren, who in June, announced the arrival of their daughter 'Leni Marie'. It is so nice to share their excitement and we are blessed to be able to watch Leni grow up on the farm.

Once again we thank John Donnan for his help. We know how passionate he is about the farm and appreciate his devotion.

We are proud to present the 20th Annual Anden Stud Sale. Once again we are extremely pleased with the Rams on offer. We pride ourselves on producing from the best genetics and presenting high quality rams that will enhance your flock.

Looking forward to seeing you on Thursday 1st October.

Regards Andrew & Denita Donnan

All sheep are presented with across flock EBVS as at August 2015, for some assistance in selecting stud sheep across all of the Australian White Suffolk Flocks using the Carcase Plus Index and Lamb 20-20 Index.
