

## Helmsman Sale [www.auctionsplus.com.au](http://www.auctionsplus.com.au)

The sale can be accessed via AuctionsPlus. You can log on via your own computer or iphone to bid. It is essential to register at least 24 hrs prior to the sale if you wish to use this method. Or alternatively arrange with your local agent to bid on your behalf. We will have a Landmark agent (Pete Golbolt 0457 591 929) and Roberts agent (Tim Woodham 0418 323 425) at the showgrounds on the day if you want to bid via the phone or via any agent Aust wide. If you are present at the Melbourne show we will have a facility set up for bidding.

**This is a simultaneous sale so all rams will offered at the same time.**

HOW IT WORKS: The sale commences at 2pm ..... at 2:15 it will close with a one minute time clock to bid. If one bid comes in over any of the rams the clock will restart for a further minute (and so on). The sale is only completed when auctions plus confirms. No sale is guaranteed until that time.

We have found in the past that a lot of the bidding doesn't commence until after 2pm. In the past bidders have missed out thinking it closed at 2:15 – this is not the case – any ram bid can change up until Auctions Plus have confirmed the sale closed.

Full explanations/notes will show on the AuctionsPlus site. Also see our web site for any updates and videos -- [www.valma.com.au](http://www.valma.com.au).

There is a reserve of \$1000 on all the rams unless otherwise stated, this will be shown on the AuctionsPlus site. A reserve purchase price of \$2000 applies for purchasers wishing to transfer registration of stud sires.

If you have any queries on the rams please call Andrew McLauchlan 0428 577 243.
